We hope that you enjoyed this year's *Encore* summer shows of LIPA4:19. We will once again be recording each show, which will be available for you and all the family to enjoy again and again long after the curtain comes down.
We are accepting orders before and after the shows and are pleased to announce that this year we are also able to accept online ordering so you can order at your leisure. You can order securely on our website at www.brownbearfilms.co.uk or via post using the form below.
If you choose to order online, you can rest assured of security as we use PayPal to process all transactions. If you don't have a PayPal account don't worry, they can also process card payments too. If you prefer not to order online, we do still accept orders by post.
Each set costs £16 and contains two DVDs which will be ready for collection on the first Saturday of term in September. If your child is **not** returning to LIPA4:19 next September, be sure to let us know!
Enjoy the shows, whether you watch them at the theatre or in the comfort of your own home.
