Terms and conditions

The LIPA prospectus was printed in spring of 2017. It contains information on the courses that The Liverpool Institute for Performing Arts intends to run for students who are planning to start university in the autumn of 2018. The more detailed website content for courses has been created in summer 2017. LIPA has made every effort to ensure that information provided is both helpful and accurate as at the date of publication. However, some changes, for example to courses, facilities or fees may become necessary due to legitimate staffing, financial, regulatory and learning reasons. LIPA will endeavour at all times to keep any changes to a minimum and to keep students informed appropriately. For this reason, it is particularly important that you check the website for updates or contact the Admissions Team at LIPA (email admissions@lipa.ac.uk, tel: +44 (0)151 330 3000).

Abiding by our rules and regulations

A condition of enrolment is that you abide by, and submit to, our rules and regulations as contained in our student handbook. These rules and regulations are subject to amendment from time to time. Extracts from the current Student Handbook can be obtained on request from our Admissions Department.

Payment of fees

Tuition fees are, in general, due for payment in full by the student two weeks before enrolment. First year international degree course students and all Foundation Certificate course students are required to pay a deposit amounting to 25% of the first year's fee no later than 31 May.

UK and EU students who do not take up their Student Loan entitlements are required to pay their fees in full two weeks before enrolment.

Students in receipt of UK or overseas Government loans, US Federal Financial Aid, Professional and Career Development Loans, private loans or sponsorship from a recognised source, may pay their fees in accordance with the terms of the receipt of their funding arrangements. Written confirmation of this funding must be provided on or before enrolment.

Other students who cannot or do not access the public funding sources available to them may pay their fees in two equal instalments only if they provide a letter of guarantee from a party acceptable to the Institute. The first instalment must be paid a full two weeks before enrolment.

Fees are only payable online by debit or credit card.

Withdrawals

We reserve the right to retain up to 50% of any deposit paid where a withdrawal of acceptance of an offer is received after 31 July in the year of entry. Students who are receiving US Federal Financial Aid will be refunded as per US Department of Education R2T4 regulations.

First year and Foundation Certificate students are allowed a four week cooling off period from the date of enrolment in which to decide if they wish to continue with their studies or withdraw from their course. In the event of a student withdrawing within the first four weeks they will be charged only an administration fee which is currently £100.

Full-time undergraduate and Foundation Certificate students withdrawing after the cooling off period will be charged an administration fee, currently £100 plus a proportion of the fee payable by the student calculated on a pro-rata basis on the number of weeks of study undertaken, commencing from the date of enrolment.

For students in receipt of a SLC tuition fee loan we will restrict the amount we require you to pay to us to the amount the SLC will loan you.

Students from outside the European Economic Area who require a student visa, should note that the Institute is obliged to notify UKVI if a student has multiple unauthorised absences, fails to enrol on their course, terminates their studies or moves to another immigration category.

Please retain a copy of these terms and conditions for your records.
