

# Overseas audition guidelines

.....

## **BA (Honours) Dance** **Foundation Certificate in Dance**

Congratulations on getting through to the audition stage at LIPA. We understand how nerve-wracking the prospect of attending an audition can be, so please read through these guidelines carefully. Remember we're interested in finding out about you as an individual, so please try to relax, be yourself and enjoy yourself on the day.

.....

We want to achieve equality and diversity. We want to be accessible to everyone and we will make reasonable adjustments if you are disabled. If you have any questions about this, please contact Penny Byrne, our Student Support Manager:

# What the audition entails .....

This audition provides you with the opportunity to reveal your dancing potential, your personality and your craving to learn and perform. We endeavour to ensure that the whole process is as positive and relaxed as possible. If at any time during the audition you would like clarification on a point or other information please ask.

You are usually auditioned alongside other candidates throughout the day. The elements involved are:

## Dance elements

During the day you usually take part in a variety of dance classes covering the following areas:

- Dance technique(s) – Ballet, Contemporary, Jazz and Street
- Improvisation/Freestyle
- Expression and Performance

During these group classes you are presented with a variety of dance techniques, dance combinations and improvisation. This gives us an opportunity to assess your individual performance and technical skills. There is no need to prepare for this. Please aim to engage with these classes as fully as possible.

## Song element

You are asked to sing a **musical theatre** solo as part of the audition and are accompanied by a pianist. You must bring piano sheet music with you, fully written out for piano accompaniment in the key you wish to sing (the accompanist will not transpose the music to a different key). No backing tracks are permitted. Many musical scores can usually be found at local libraries or at [www.sheetmusicdirect.com](http://www.sheetmusicdirect.com)

It is in your best interest to find a song in your appropriate range and key. It is important for us to hear your ability to pitch with accompaniment and to see your true potential. We'd recommend that you find someone to play the song through for you once on piano and then record it so that you can keep working on it on your own. If you just buy the music of a sound track you've been singing along to without hearing it played, you are likely to find this part of the audition really difficult. This is because most sheet music is not written in the same key as the sound track. Seeking the advice of a singing teacher may help you to choose an appropriate song and perform to the best of your ability on the day. This is the part of the audition that some candidates worry about most because they are insecure about their singing ability. We don't expect all candidates to have strong singing voices. We are looking for people who are brave enough to step out of their comfort zone and who are eager to learn new skills. Also, singing is part of our Musical Theatre modules which amount to 15% of the taught content of our Dance degree.

## Interview

All candidates will have a brief, informal interview, so that we can get to know you. Please ensure you have made yourself fully aware of the course by reading through our prospectus and website so you have an understanding of all the elements involved in this course and of what will be expected of you.

## What to wear to the audition .....

Please ensure that you are dressed appropriately for dance. Leotard and tights or unitards are required, as the panel need to be able to see your body.

### **Ballet**

Hair must be securely tied back off the face, in a bun (women) or ponytail (men).

Women - Pink ballet tights, leotard and soft ballet shoes. No pointe work will be required in the audition. If you have darker toned skin you are welcome to wear ballet tights and shoes that match your skin tone.

Men - Unitard or ballet tights with a tight fitting vest or t-shirt, socks, ballet shoes.

### **Contemporary/Jazz/Street**

Leotard and tights or unitard in any colour. Soft jazz shoes for jazz and bare feet for contemporary. For street you may wear 'baggies' and dance trainers (no outdoor shoes permitted) over the top of your other dancewear.

### **Singing**

Dancewear or street clothes are acceptable. Please bring warm up clothes to wear over your dance gear so that you don't get cold while waiting for your turn to sing.

If you have any queries about what is appropriate for you to wear, please contact the International Team, tel +44151 330 3118, email [international@lipa.ac.uk](mailto:international@lipa.ac.uk).

## What to bring to the audition .....

In addition to bringing appropriate clothing and footwear as described above, please bring water with you and any energy snacks that you require to keep yourself able to dance for a sustained period. We would also recommend bringing a packed lunch. There are periods when you will be waiting and there isn't a set time for a lunch break.

## When you will hear from us after the audition

We need time to reflect on the candidates we have seen, so we do not normally tell you the outcome of your audition on the day. Typically, we will communicate the decision within three working weeks.

If we feel that you show promise, but are not quite ready for our BA Honours programme, we may consider you for a place on our FC programme.

Our FC Dance programme is a formal Level 3 qualification with performance and collaborative opportunities. More information can be found on our website [www.lipa.ac.uk](http://www.lipa.ac.uk)

# Any questions .....
